

Dear sKids family and parents

REGISTER & SET UP YOUR PARENT / CHILD PROFILES NOW!

Thank you for the opportunity to provide sKids out-of-school programmes to your children.

As part of our ongoing commitment to offer our families greater service, convenience and ultimately child safety, we're proud to offer you **AIMY PLUS** – our online parental portal.

Step 1 – NOW:

If you haven't already, please visit **AIMY PLUS now and set up your parent and child profiles with all your key information.**

Getting Started!

We encourage you to set up your own profile **now** - this will help you to quickly get familiar with the system so that you can start enjoying it.

To do this, we invite you to access **AIMY PLUS** by either clicking on this box on the sKids website www.skids.co.nz. This will redirect you to <http://skids.aimy.co.nz>, or you can just go straight to <http://skids.aimy.co.nz>.

To do this, we invite you to access **AIMY PLUS** by either clicking on this box on the sKids website www.skids.co.nz. This will redirect you to <http://skids.aimy.co.nz>, or you can just go straight to <http://skids.aimy.co.nz>.

Once on this site, you can get started by:

- clicking on "Register now" under the blue "Log In" button;
- setting up your parent profile;
- entering details of your children; and
- entering details of your authorised pick-ups.

You'll also have an opportunity to upload photographs for you, your children and authorised pick-ups to enhance on-site safety and identification.

It's very straightforward – you only need to set this up **once** and your details can be updated at any time.

Some benefits of AIMY PLUS:

- convenience of online booking 24/7;
- ability to pay online (including by credit card) – terms and conditions apply;
- quick access to all your booking and invoicing information;
- ability to maintain a live record of any special considerations or requirements specific to your child (eg, health, dietary, disability, behavioural) so these are flagged live each day;
- quick and easy two-way communication and notification;
- photos of the activities and special experiences your child is enjoying at sKids - we'll upload these to your dashboard from time to time where you can view them securely. We know you will just love this feature as it's a great way to keep in touch with what's happening at our sKids programmes.

If you're used to online banking, Facebook, Trade Me, booking flights online, etc, you'll find **AIMY PLUS** even easier and you should fly through it.

If you have any questions on your set-up just give us a call and I'll guide you through the steps.

Thanks for getting behind **AIMY PLUS**. We've picked up how to use it pretty quickly and we're sure that, with a little time to get familiar with **AIMY PLUS**, you will too.

Kind Regards

Team at sKids Oteha Valley
