

Dear Parents/Caregivers,

We are delighted to inform you that Oteha Valley School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessment. This allows greater accessibility for students and faster delivery of results.
